Description

Quick MC2 X19 Gyro Stabiliser | Twin Cummins QSM11 661HP | Bow & Stern Thrusters | Upgraded Raymarine Axiom Electronics

This 2008 Maritimo M500 offers an impressive combination of offshore capability, generous living spaces and practical cruising features. Powered by twin Cummins QSM11 shaft-drive diesel engines, this proven Australian-built motor yacht has benefited from extensive mechanical servicing throughout 2026, making it an attractive option for buyers seeking a well-equipped flybridge cruiser.

Powered by twin Cummins QSM11 diesel shaft drive engines producing approximately 661HP each, this Maritimo M500 offers the proven reliability and offshore capability associated with Maritimo's shaft-drive motor yachts. The boat will cruise comfortably offshore at 2000RPM(80% engine load) doing 23 knots burning a combined fuel burn at 165LPH. The engines have also undergone maintance above and beyond to ensure the boat is a turnkey package for its next owner. With a full cooling system service completed in Feb 2026 & Exhaust Manifolds replaced aswell as a full annual service on both engines, gearboxes & generator. The vessel is also equipped with a Cummins Onan generator, with approximately 3,144 hours recorded, providing onboard power for extended cruising and overnight stays. Four new house batteries were also fitted in October 2025.

The spacious aft cockpit provides an excellent area for entertaining, fishing or simply relaxing at anchor. Featuring an electric cockpit grill, refrigerated coolbox, live bait tank and saltwater deck wash, this versatile space caters equally well to casual entertaining and offshore fishing. Reelac outriggers add to the vessel's fishing capability, while the swim platform provides convenient access to the water. Six blue underwater lights create an impressive atmosphere during evenings at anchor.

Stepping inside, the saloon offers a welcoming interior with cream upholstery, timber cabinetry and generous storage throughout. Large surrounding windows provide natural light, creating a comfortable environment for relaxing or entertaining guests. The galley is well equipped for extended cruising, featuring a four-burner electric cooktop, Panasonic microwave, Fisher & Paykel dishwasher and dedicated refrigeration. Additional saloon refrigeration provides convenient storage for drinks and provisions, while the onboard air conditioning ensures comfort throughout the seasons.

The Maritimo M500 offers 3 Cabins- Midship master Cabin with a queen bed and full walkaround sides & private ensuite, Starboard Cabin with twin single bunks and access to the day ensuite. Forward VIP Queen bed with hanging lockers and access to the day ensuite aswell. Timber cabinetry, carpeted flooring and dedicated air conditioning contribute to a comfortable onboard environment. Two electric-flush toilets, a hot water system and multiple onboard amenities make the vessel well suited to extended stays away from the marina

The enclosed flybridge is a standout feature of the M500, providing a commanding helm position with excellent visibility and protection from the elements,. The helm features an upgraded Raymarine electronics package, including x3 12" Axiom displays, radar, chartplotter and depth sounder capabilities, complemented by a Simrad AP28 autopilot and twin VesselView digital engine displays. Bow and stern thruster controls provide additional confidence when manoeuvring, while the Quick Gyro digital display allows convenient monitoring of the vessel's stabilisation system. The flybridge also benefits from dedicated refrigeration, aft clears and internal windscreen covers, creating a practical space for extended cruising.

A significant feature of this vessel is the **Quick MC2 X19 Gyro Stabiliser**, designed to reduce vessel roll and improve comfort while spending time onboard combined with hydraulic steering, this equipment makes the vessel practical for both experienced owners and those looking to step into a larger cruising motor yacht.

The forward deck features an electric tender crane positioned to port, providing convenient launching and retrieval of the included Polycraft tender with Evinrude 6HP outboard.

This 2008 Maritimo M500 presents an opportunity to secure a spacious Australian-built flybridge motor yacht with an extensive equipment list and significant recent mechanical maintenance.
