Description

One owner since new, 1000nm Range at 9 knots, Meticulously maintained, CJ is an outstanding example of the highly regarded Hampton 630 Skylounge. Presenting in exceptional condition throughout, this meticulously cared-for motor yacht combines timeless craftsmanship, luxurious accommodation, and proven long-range cruising capability. With low engine hours, premium equipment, and a turn-key presentation, CJ represents an outstanding opportunity to acquire a quality motor yacht without the wait or expense of a new build.

The expansive teak-laid aft deck creates the perfect space for entertaining family and guests, whether enjoying a relaxed afternoon cruise or alfresco dining at anchor. Wide side decks and thoughtful deck layouts provide safe and easy access throughout the vessel, while the hydraulic tender handling system and swim platform area make time on the water effortless. Stepping inside, the quality of Hampton's craftsmanship is immediately apparent. Satin-finished cherrywood cabinetry and rich leather furnishings create a warm and inviting atmosphere, complemented by large windows that flood the saloon with natural light.

Forward, the gourmet galley is beautifully appointed with granite benchtops and flooring, premium Miele appliances, induction cooktop, convection microwave, generous refrigeration, and ample storage. Adjacent to the galley, a formal six-seat dining area provides the perfect setting for entertaining onboard. Designed for comfortable extended cruising, accommodation is provided for six guests across three luxurious staterooms.

The full-beam master suite is a standout feature, offering a king-size berth, extensive storage, and a spacious his-and-hers ensuite finished with marble floors and countertops. The forward VIP stateroom features a queen island berth with private ensuite, while the guest cabin offers twin single berths, ideal for family or visiting guests

The enclosed skylounge delivers an elevated cruising experience, providing exceptional visibility and comfort in all weather conditions. Twin Pompanette helm chairs offer commanding views from the upper helm, while the spacious layout creates an additional living and entertaining area that can be enjoyed year-round. Reverse-cycle chilled-water air conditioning ensures comfort throughout the vessel regardless of the season.

Powered by twin Caterpillar C18 diesel engines producing 873HP each and showing approximately 1,380 hours, CJ cruises comfortably at 12 knots or a 18 knot fast cruise and is capable of speeds up to 22 knots. With 5,500 litres of fuel capacity and 1,500 litres of freshwater capacity, she is exceptionally well suited to extended coastal cruising. Side-Power bow and stern thrusters make close-quarters manoeuvring remarkably easy, while Wesmar digital stabilisers deliver outstanding comfort and stability underway.

Navigation is handled through a comprehensive Raymarine electronics suite featuring Hybrid Touch multifunction displays, 48-nautical-mile radar, GPS, sounder, autopilot, AIS, VHF communications, and full instrumentation. Onboard systems include a 25kVA Caterpillar generator, additional 12kVA Caterpillar generator, Idromar watermaker producing 130 litres per hour, Glendinning Cablemaster shore power system, and Fireboy engine room fire suppression.

Additional Features
New BRIG 330 centre console RIB tender
Suzuki 30HP four-stroke outboard
Steelhead davit system
Dometic chilled-water reverse-cycle air conditioning
