Description

Last M51 ever built! Quick Gyro, 3-Cabin Configuration, Highly optioned and ready for to with the water with 2026 Annuals just complete! Combining luxury, performance, and serious bluewater capability, this vessel is equally at home entertaining on the Broadwater or cruising long distances in comfort.

A generous teak-laid cockpit delivers a highly functional space for both entertaining and fishing. Stainless steel rails to the boarding platform with integrated bait board add practicality, while full canopies to both cockpit and flybridge decks ensure protection in all conditions. The inclusion of a 2025 centre console tender with 40hp Honda outboard makes exploring and shore access effortless.

The saloon is light-filled and elegantly finished, with large windows and an open-plan layout that enhances the connection to the water. Premium materials and craftsmanship are evident throughout, creating a refined yet relaxed atmosphere. The galley is fully equipped with high-end appliances, ample refrigeration, and generous storage—perfectly suited for extended cruising and entertaining onboard.

Accommodation is thoughtfully designed for comfort and privacy, highlighted by a full-beam master stateroom complete with ensuite. Guest cabins are equally well-appointed, offering quality finishes and practical storage, ensuring all onboard enjoy a comfortable and luxurious stay.

The enclosed flybridge is a standout feature, offering exceptional visibility and a commanding helm position. With ample seating, climate control, and full enclosure via canopies, it provides a versatile space for both cruising and socialising in any weather.

Powered by twin Volvo D11 725hp shaft-drive engines (approx. 220 hours), the M51 delivers impressive efficiency, range, and a soft, stable ride offshore. Renowned for its bluewater capability, this platform is built for long-distance cruising with confidence in varying sea conditions. Recently completed annual servicing provides added peace of mind, while the Ultra anchor with snivel ensures secure anchoring for extended stays

Exceptionally well-equipped, this vessel features a complete Simrad electronics package, including sonar, autopilot, radar as well as a secondary cockpit screen. Starlink for reliable offshore internet along with a 4G/5G data system for continuous connectivity. A custom table over the gyro in the lazarette maximises usable space, reflecting the thoughtful upgrades carried throughout the vessel. Every detail has been considered to enhance usability, comfort, and onboard enjoyment.

This 2025 Maritimo M51 represents a rare opportunity to secure a highly optioned, near-new vessel without the wait.

Located at Sanctuary Cove Marina on the Gold Coast Contact us today to arrange a private inspection or for further details.
