Description

Currently in 4D/4E survey and ready to enjoy | Volvo D13 800HP | Seakeeper Ride Trim System | Dockmate wireless controller with position hold | Premium Offshore Cruising Specification.

One of the most comprehensively optioned Maritimo M50s available, this 2026 model has been specified for serious offshore cruising, effortless entertaining, and extended time on the water.

Powered by the Volvo D13 800HP engine package, this M50 delivers outstanding performance, efficiency, and confidence offshore. Docking and manoeuvring are made effortless with the Dockmate wireless docking system with DPS positioning technology, upgraded Vetus proportional bow and stern thrusters, and Seakeeper Ride automated trim system for improved stability, control, and ride comfort.

Built with extended cruising in mind, this vessel is equipped with a hydraulic teak-laid swim platform, Idromar 130L/hr watermaker with sand filter, upgraded 40kg anchor, extensive AGM battery upgrades, and provision for future Seakeeper Gyro installation.

The premium Garmin navigation package provides complete confidence at sea, featuring twin 19” Garmin displays, Fantom 24X radar, autopilot, satellite compass, AIS, Cortex VHF, electronic charts, and 3 x Garmin marine IP camera for onboard monitoring.

The interior showcases Maritimo’s renowned craftsmanship with Enviro Walnut gloss finishes, upgraded mood lighting with dimmers, and a beautifully appointed Miele galley package including induction cooktop, full-size fridge, speed oven, twin freezer drawers, plus Miele washer and dryer facilities.

Designed for year-round enjoyment, the flybridge and cockpit feature black Breezeway enclosures with clears, full flybridge front and side Solarscreens, teak-laid flybridge aft balcony decking, integrated stereo systems, and additional entertaining features including fold-out ottomans with storage.

A rare opportunity to secure a highly specified 2026 Maritimo M50 with an extensive list of factory upgrades already completed, offering the perfect balance of luxury, performance, and offshore capability.

Features:

• Volvo D13 800HP

• Seakeeper Ride 1275mm Quad automated trim system

• Dockmate wireless docking system with DPS

• Vetus proportional bow & stern thrusters

• Garmin twin 19” electronics package

• Fantom 24X radar
